Welcome to Beyond the Pitch! This interactive website helps you and your child connect with the FIFA Women's World Cup 2023™ through online lessons and activities.

Beyond the Pitch is divided into four zones. Each zone includes an interactive lesson that can be accessed without signing in and can be played multiple times.

Zone 1: Grandstand
(culture, diversity and belonging)

- Find out about some of the symbols of the two host nations.

Zone: 3: Maker Space
(sustainability)

- Understand the importance of waste management and recycling.

Zone 2: Locker Room
(respect, team work, passion and excellence)

- Learn about emotions and how to recognise them in yourself and others.

Zone 4: Let's Play

- Test your skills with a fun online game featuring the 2023 FIFA Women's World Cup mascot, Tazuni™

The Locker Room activity provides a great opportunity to explore emotions with your child. Many children are frustrated by their inability to express emotions or find the words to talk about them.

Here are some activities you can do at home with your child.

Emotion memory match cards

Print two copies of the emotion cards on page 8. Arrange the cards in an array with the images face-down. Play memory match. When a player makes a match, they must identify the emotion shown on the cards. If they get it wrong, the cards are returned to their position. Alternatively, work with your child to create your own emotion cards.

Emotion charades

Write a list of emotions on cards or sticky notes. Take turns selecting a card and acting out the emotion through mime and facial expression. The other person tries to guess the correct emotion.

Emotional reactions

Use the stories in the interactive lesson to talk about how people sometimes react to their own emotions. Remind your child that all emotions are acceptable – it's what we do with our emotions that can hurt or harm others or ourselves. Suggest positive ways to express emotion without hurting others.

Jump onto the [Beyond the Pitch!](#) website and explore the Locker Room with your child now.
